You will be astonished by its amazing balcony which dominates the town with a spectacular view and you will feel to be brought back to the past at the beginning of the XX century where time seems to have stopped. The style of the interior has the typical flavor of Sicilian noble palaces: frescoes of landscapes, wallpapers in splendid satins, vases and furnishings of the most precious manufacture, together with the private collections of Donna Grazietta Grimaldi are all signs which give you the impression that nothing has changed and that the ancient traditions of the house are still alive. You will then be brought back to present time savoring some local delicacies under the shadow of the amazing Orti di San Giorgio: 7 gardens suspended between light and beauty.
